Note	<p><b><u>Clarification</u></b>  <i>In reference to Q12 in Q&amp;A log vol. 17 and comments on it, we clarify that there are no preconceived ideas as to the interpretation to be placed on the 'virtual planetarium' requirement. The exact design and implementation is to the discretion of the competitor. To further clarify, the planetarium may be either 'digital' or 'virtual', and designed with or without a domed roof.</i></p> <p><i>The area schedule and description of spaces is provided for guidance only. Competitors are encouraged to think creatively, and provide their own interpretation of the building program, and associated area requirements, where deemed appropriate.</i></p>		02-Sep-16
